**BILATERAL ARTICULATION AGREEMENT
BETWEEN
WINSTON-SALEM STATE UNIVERSITY
AND
HALIFAX COMMUNITY COLLEGE**

THIS ARTICULATION AGREEMENT is made and entered into by and between **WINSTON-SALEM STATE UNIVERSITY**, a public university located in Winston-Salem, North Carolina (hereinafter "WSSU") and **HALIFAX COMMUNITY COLLEGE**, a North Carolina Community College System Institution (hereinafter "HCC"). WSSU and HCC hereby join in a collaborative effort to facilitate the transfer of students graduating from HCC into the Clinical Laboratory Science Degree Program at WSSU and agree to the following terms and conditions:

1. **Admissions Requirements** - The parties agree that a graduate of HCC with an Associate in Applied Science (AAS) in (MLT) Medical Laboratory Technology with at least a cumulative grade point average (GPA) of 2.5 based on a 4.0 scale will be admitted to WSSU provided all other conditions are satisfied. In which, admission will be administered by WSSU Office of Admissions.
2. **Transfer Requirements** - WSSU agrees to accept transfer coursework completed at HCC as equivalent on a course-by-course basis. All HCC transfer students may receive up to a maximum of sixty-four (64) semester hours of academic credit for approved courses completed (*see pages 3 & 4*) with a grade of "C" or better earned. Students will transfer from HCC a maximum of 64 hours.
3. **Faculty** - HCC courses approved for transfer credit must be taught by faculty who meet the community college credential requirements.
4. **Student Class Status**- HCC transfer student class status will be based on the total number of transfer hours.
5. **Associate Degree Completion** - Parties at HCC and WSSU shall encourage AAS Degree completion at HCC prior to transferring. To be eligible for inclusion in this Articulation Agreement, HCC students must complete the AAS Degree. HCC students who transfer prior to completing all AAS Degree requirements will have their coursework evaluated on a course-by-course basis. In addition, HCC students who transfer prior to completing all AAS Degree requirements and are under the age of 21 must meet the minimum admission requirements for WSSU.
6. **Promotion** - Parties at HCC and WSSU shall support and promote this Articulation Agreement on campus through marketing, recruiting, and websites.
7. **Accreditation** - HCC and WSSU will ensure that they maintain accreditation with the appropriate regional accrediting agency and ensure that all operations will be in keeping with accreditation requirements of the two institutions.

8. **Official Designees for Articulation Agreement Administration** - The following representatives will jointly administer this Articulation Agreement and will be responsible for the evaluation and assessment of this Articulation Agreement between WSSU and HCC.

9. **Agreement Review, Change, and Termination** - This Articulation Agreement shall be reviewed at least once every three years, by the designated officials at both institutions and is subject to change by mutual written consent. If said changes occur, an addendum signed by both parties will reflect any and all changes. Either party may revoke this agreement by written notice to the other party, giving at least one year's notice of intent to discontinue the agreement. However, it is understood and agreed that any student admitted to WSSU under this Articulation Agreement will be allowed to complete the program notwithstanding the termination provision above, so long as such student is in good standing and is making progress toward degree completion.
