- Mr. Michael Felt – Chair, HCC Trustees
- Other Trustees present

# Opening Remarks

- Mr. Michael Felt, Chair  
HCC Board of Trustees

# Purpose of Meeting

## A. Introduce myself to you

1. I am passionate about students and their success.
2. I believe that in order for educational institutions to grow and remain viable to the community they serve they must continuously improve.
3. I will become involved in every aspect of the community that connects the college with the community and promotes workforce development.

## **Purpose of Meeting (cont'd)**

- 4. I believe it is important to keep a good balance of faith, family & fitness in your life.**
- 5. I make every effort to engage in informed decision making (show me the data).**
- 6. I am not Dr. Griffin, and I will operate differently.**
- 7. I am fully committed to our mission.**

# Purpose of Meeting (cont'd)

## B. My Expectations of You:

1. To be Fully Committed
2. To be Accessible, Accountable, Available
3. To be Student Success Oriented (care about students)

## C. What can you expect of me?

1. To be your President and provide leadership/vision
2. To be your advocate
3. To be visible
4. To be engaged

# Primary Work Agenda

- Complete the final year of the current Strategic Plan
- Begin to develop the next generation plan
- Provide high quality instruction and student services
- Strategically grow our enrollment
- Improve advising and other student success initiatives
- Enhance technology and facilities to support instruction
- Provide resources that improve and support instruction & student success

# College Alignment

- I will visit each department and speak with faculty and other employees to collect valuable information regarding college improvement.
- We must all be singularly focused on achieving the college mission and goals.
- Our behavior must exhibit our college values.
- When we work together we can accomplish great things quicker.
- Let's get to work!!

**Thank You For Attending.**
