BLACKBOARD & DISTANCE LEARNING COURSES AT HCC

All HCC distance learning courses have an on-line orientation, which is mandatory for first-time Blackboard users ONLY.

All HCC students will be issued an e-mail account. For more information, refer to this URL: <http://halifaxcc.edu/Online/>
On the left-side of the screen, click Gmail.

Follow the instructions provided.

The username and password to access e-mail is the same username and password needed for Blackboard.

Students are required to use their HCC e-mail account for all HCC-related correspondence and e-mail communication.

Distance learning courses will be available by **the second day of each semester**. If you do not see your courses listed in Blackboard, contact your instructor. Refer to these Web pages for contact information: <http://www.halifaxcc.edu/Online/Faculty.htm> OR <http://www.halifaxcc.edu/Faculty/faculty.htm>

Courses That Use Blackboard Resources:

~Online course: An online course does not meet on campus. All course work is delivered electronically (via the Internet). Students must have access to the Internet.

~Hybrid course: A hybrid course has an online component and a scheduled, mandatory class that meets at specific times. Refer to the schedule for details (day/date/time/location).

~Web-Assisted: A Web-assisted course is a seated course that meets at specific times and on specific days on campus. However, students are required to have Internet access as a supplemental part of the course.

Blackboard and distance learning orientations are delivered ONLINE. There is not an on-campus orientation.

Go to this URL to begin the online orientation: <http://www.halifaxcc.edu>

Click the link to Distance Learning.

Read the "welcome." Then, click this link: Online Orientation.

The Blackboard/distance learning orientation begins the first day of early registration and ends on the 5th day after the beginning of the semester.

Regarding students who are purged OR who register on or after the first day classes begin:

The person who registers the student in a distance learning course must send an e-mail to Beth Gray-Robertson (robertsonb@halifaxcc.edu) and include the following information:

Student's full name (no nicknames)

Student's Colleague identification number

Course and section number enrolled (e.g., ACA111-1D1)

For help or additional information, contact:

Beth Gray-Robertson via e-mail: robertsonb@halifaxcc.edu
