

For the registered nurse, the nursing program for the BSN is online. Applicants must enroll as a student at North Carolina Central University and complete the General Education Courses in order to take the "bridge course", N4520: Introduction to Professional Nursing. When you have successfully completed N4520, with a grade of "C" or better, you will receive 63.5 advance placement credit hours.

An advisor in the Department of Nursing will review your transcript(s) for possible transfer credits and assist you in establishing a timeline for your progression in the nursing program. After reviewing this brochure, if you want to further explore your options, you may telephone the Office of Student Support Services at (919) 530-7235.

You can learn more about the RN to BSN online program online at www.nccu.edu/formsdocs/files/webforms/academinfo.cfm

TRANSFER OF CREDITS

- Transfer credit(s) may be granted for courses completed at an acceptable accredited institution on a course by course basis.
- Nursing courses from other programs are not transferable.
- Students have the option of taking an acceptable proficiency examination if they do not receive transfer credits on the basis of their submitted transcript(s).
- Students may transfer up to 64 semester hours from a two-year institution including extension courses, advanced placement, College Level Examination Program credit and military service.

All admissions are contingent upon the student maintaining a minimum GPA of 2.5, completing all GEC requirements with a GPA of 2.5 or better, and presenting current evidence of liability (malpractice) insurance, cardiopulmonary resuscitation (American Red Cross), physical/mental health evaluation, criminal background check, current immunizations, and current nursing license, if applicable.

The Department of Nursing at NCCU reserves the right to modify information provided in this brochure. Students are advised to consult a nursing advisor to maintain an up-to-date understanding of department requirements.

North Carolina Central University is committed to equality of educational opportunity and does not discriminate against applicants, students or employees based on race, color, national origin, religion, gender, age, veteran's status, sexual orientation or lifestyle, or disability.
