For classes meeting one time a week, students must attend the first day.

We have discussed the following conditions:

- Students must have credit for the pre-requisite(s) for the courses listed.
- Students must maintain enrollment in or have credit for the co-requisite course listed.
- Students who have received credit for any course(s) listed will not be eligible for Pell financial assistance benefits for the course(s). Students in Nursing or Dental Hygiene programs should consult the financial aid office.
- Students who enroll in course(s) not in their major will not be eligible for Pell financial assistance for the course(s).
- Students who enroll in course(s) beyond the requirements for their major will not be eligible for Pell financial assistance for the course(s).
- Students with questions concerning their financial aid should consult the Financial Aid Office.

We have discussed the information above and recorded courses on the tracking sheet.

I am responsible for knowing what classes to take and how my schedule will affect me academically and financially. With full knowledge of academic and financial implications (including the 25% withdrawal penalty), I request to be enrolled in each course listed on the trial schedule.
