

Welcome!

We are completing our Long Range Plan to prepare for the next five years and want HCC to meet the needs of our community. You can help us do that.

Please take the next five minutes to answer a few questions. Your input is important to this process and will be a key component of the final plan.

Let's get started!

All employees of Halifax Community College were given the opportunity to list those programs (presently being offered) that they believe will experience growth over the next five years.

Based on your knowledge and experience please complete the following:

1. Rank the following programs from 1 (most) to 6 (least) that you believe are necessary to meet the needs of the community and promote workforce development.

Transfer Studies
(toward four-year degree)

Nursing (RN)

Law Enforcement

Computer Technology

Dental Hygiene

Automotive Systems

2. Rank the following programs from 1 (most) to 6 (least) where you believe the college can anticipate growth in the next five years.
